January 1, 2008

Dear Valued Customer:

This letter is to inform you that CXR/Larus Corporation, effective January 1, 2008, has manufacturing discontinued (MD) the following products:

1. Halcyon 704A-400 and 704A-410 line of TIMS test equipment – we will continue to offer our 704A-430 and 704A-460 TIMS test sets that have expanded capability and features
2. 5800-0 StarClock, Clock Distributor – we will continue to offer the 5800-1,2 OCXO Stratum 3E equipped Clock distributor line of products
3. 5850-6,7,10,11,15 and 5850E-6, 7,10,11 lines of StarSync GPS Network Primary Reference Source Products – these have been replaced with the 5850-21, 23 and 5850E-21,23 StarSync GPS Network Primary Reference Source Products which provide TL1 and Menu command options in the same unit along with improved accuracy and stability.
4. FO1004-3,4 DS1 Fiber Optic Extension Products along with their respective mounting shelves, 4102-2WL1 and 4103-11 – we continue to offer the FE2-1 and FT2ER-1 line of Quad DS1 or E1 Fiber Optic Extension products along with their respective shelves, 1187-1, 1188-3M/F WL1 and 1189-0.

CXR/Larus will continue to support the service, repair and maintenance of these MD'd products for a period of 3 years from January 1, 2008. It should be noted however that the pricing for labor charges and component repair will most assuredly rise during the continued support period due to availability of components, materials, cost of labor, fuel, transportation etc. CXR/Larus reserves the right to change the repair pricing on these products at any time and without notice during the continued support period. CXR/Larus will always notify the customer when any of the products returned for repair are beyond economical repair during the extended support period.

We look forward to a continuing relationship with each of our loyal customers and supporting your timing and synchronization, transmission and test and measurement needs in the future with our exciting new products. CXR/Larus' mission and mandate is provide ever increasing levels of satisfaction to our customers by providing quality products and services, and adding value to our customer's business. Through a commitment to excellence in our products, service and delivery we will continue to meet and exceed your expectations.

Please visit our new website, www.cxrlarus.com, to see what is happening at our company and communications products CXR/Larus has to help you in your business.

Sincerely,

A handwritten signature in blue ink, appearing to read 'L. Taillie', is written over a light blue horizontal line.

Lawrence Taillie
